

WAC 246-224-0090 Requirements for closing a radiation machine facility or removing a radiation machine from service. (1) A registrant that closes a radiation machine facility or removes a radiation machine from service shall notify the department and BLS within thirty days.

(2) If a radiation machine is disposed of or transferred within Washington state, the registrant shall provide the department the following:

- (a) The name and contact information of the recipient;
- (b) The address of the recipient; and
- (c) The date of the disposal or transfer.

(3) If the radiation machine is to be placed in storage and retained, the registrant shall obtain approval from the department.
