- WAC 246-341-1300 Applied behavior analysis mental health services—Certification standards. Applied behavior analysis (ABA) services assist individuals and their families using the practice of behavior analysis as defined in RCW 18.380.010.
 - (1) An agency providing ABA services must:
- (a) Conduct an assessment that determines functional relations between behavior and environmental factors;
 - (b) Develop an ABA treatment plan;
- (c) Maintain an individual's individual service record that contains documentation of the following:
- (i) The name of the agency or other sources through which the individual was referred, if applicable;
 - (ii) An assessment;
 - (iii) A copy of the ABA treatment plan, including progress notes;
- (iv) Any referral made to a more intensive level of care when appropriate;
- (v) Consent to include the individual's family members, significant others, and other relevant treatment providers as necessary to provide support to the individual;
- (vi) A brief summary of each service encounter, including the date, time, and duration of the encounter;
- (vii) Name(s) of participant(s), including the name of the individual who provided the service;
- (viii) Any information or copies of documents shared by or with a behavioral health agency or credentialed behavioral health professional; and
 - (ix) Discharge information as follows:
- (A) A discharge statement if the individual left without notice; or
- (B) Discharge information for an individual who did not leave without notice, completed within seven working days of the individual's discharge, including the date of discharge and continuing care plan.
- (2) ABA agencies that bill Medicaid must also follow the requirements administered by the health care authority as described in chapter 182-531A WAC.
 - (3) The ABA treatment plan must:
- (a) Be developed and maintained by a licensed behavior analyst (LBA);
- (b) Identify the services to be delivered by the LBA, licensed assistant behavior analyst (LABA) and the certified behavior technician (CBT), if the agency employs a LABA or CBT;
- (c) Be comprehensive and document treatment being provided by other health care professionals; and
- (d) Document how all treatment will be coordinated, as applicable, with other members of the health care team.
- (4) An agency certified to provide ABA services must employ a LBA that meets the professional requirements in chapter 246-805 WAC.
- (5) All staff providing ABA services must be credentialed and supervised according to chapter 18.830 RCW and chapter 246-805 WAC.
