

WAC 246-840-518 Resources, facilities and services for approved nursing education programs. (1) A nursing education program shall have the fiscal, human, physical, technological, clinical and learning resources adequate to support program processes and outcomes.

(2) Classrooms, laboratories, and conference rooms must be available and adequate in size, number, and type according to the number of students and the educational purposes for, which the rooms are to be used.

(3) Offices must be available and adequate in size, number, and type to provide faculty with opportunity for uninterrupted work and privacy for conferences with students. Adequate space must be provided for clerical staff, records, files, and other equipment.

(4) An office allowing for private consultation with students and faculty, and support for administrative responsibilities must be available to the nurse administrator.

(5) Library facilities and computer access must be provided for use by the faculty and students. Physical facilities, hours, and scope and currency of learning resources must be appropriate for the purpose of the program and for the number of faculty and students.

(6) The nursing education program shall conduct annual evaluations of resources, facilities, and services based on input from faculty and students. The schedule and results of these evaluations must be available to the commission upon request.

(7) The nursing education program shall demonstrate adequate financial support for faculty, support personnel, equipment, technology, supplies, and services.
