

**WAC 246-841A-450 Physical and electronic resources required for approved nursing assistant training programs.** (1) Classroom, skills lab, and clinical facilities used by the program must provide adequate space, lighting, comfort, privacy, safety, and cleanliness for effective teaching and learning.

(2) Adequate classroom resources, such as a white board or other writing device, audio-visual materials, and written materials must be available. Audio-visual materials include a computer with internet and projection capability in order to access and implement the common curriculum.

(3) Online classrooms used by the program must provide browser-based platforms and mixed media capability such as captioning, video, and audio-text to enhance accessibility. Online classrooms must have a method for providing private and secure methods of evaluation, submitting grades, and providing feedback.

(4) The program must provide the equipment and supplies necessary to teach skills lab and allow students to practice and gain competency as nursing assistants in accordance with WAC 246-841A-400.

(a) A list of required equipment and supplies for all nursing assistant training programs is provided by the commission.

(b) The program will maintain the safety and proper working condition of equipment and supplies.

(c) The program will ensure that equipment and supplies used by the program reflect current practice and are sufficient in quantity for effective teaching and learning for students.
