

WAC 296-155-717 Training. (1) **Training personnel.** Training required by this section must be provided by a qualified person(s).

(2) **Fall hazard training.** You must train each employee exposed to a fall hazard in accordance with the requirements of this chapter. You must institute a training program as required by chapter 296-880 WAC, Unified safety standards for fall protection.

(3) **Special training programs.** In addition to the training required in subsection (2) of this section, you must provide special training to employees engaged in the following activities:

(a) Multiple lift rigging procedure. You must ensure that each employee who performs multiple lift rigging has been provided training in the following areas:

(i) The nature of the hazards associated with multiple lifts; and

(ii) The proper procedures and equipment to perform multiple lifts required by WAC 296-155-704(5).

(b) Connector procedures. You must ensure that each connector has been provided training in the following areas:

(i) The nature of the hazards associated with connecting (see Appendix D for nonmandatory training guidelines); and

(ii) The establishment, access, proper connecting techniques, double connections, and work practices, required by WAC 296-155-708(3) and chapter 296-880 WAC, Unified safety standards for fall protection.
