

**WAC 296-17A-2202 Classification 2202.**

**2202-03 Carpet, rug, and upholstery cleaning**

Applies to establishments engaged in cleaning rugs, carpets, or upholstery for commercial, institutional or residential customers. This classification contemplates work done either at the customer's location or in their own shop or plant. In-shop cleaners usually clean area rugs, and may occasionally clean furniture upholstery. Items are picked up by employees or delivered to the shop, where they are measured and inspected for tears, worn areas, stains or other damage. Rugs may be cleaned with vibrating machines, vacuum cleaners, or shampooing machines. Cleaned rugs are suspended from poles and conveyed into the drying room where large fans propel heated air to dry them. Once dry, the rugs are inspected, rolled, wrapped, and returned to the customer or stored until the customer requests delivery. Services at customers' location may use truck-mounted or portable cleaning equipment. Carpet and upholstery cleaning services may offer incidental, related services such as, but not limited to, carpet dyeing and tinting, repairs, carpet maintenance consultations, rug decontamination, on-site dry cleaning of draperies, floor or wall cleaning, the rental of cleaning equipment, or the sale of cleaning solutions. These incidental activities are included in this classification when done by employees of employers subject to this classification.

This classification excludes janitorial establishments that provide general interior cleaning services to the public which are to be reported separately in classification 6602, and laundry and dry cleaning establishments providing services primarily to retail walk-in customers which are to be reported separately in classification 2201.

**Special note:** Restoration work (as a result of smoke or water damage) such as drying and/or cleaning carpets and upholstered furniture, washing and polishing furniture, washing walls, washing and waxing floors, and cleaning the personal contents of a home is included in classification 6602-03. Refer to classification 6602-03 for more detailed information on restorations.
