

WAC 296-802-40015 Provide employee exposure records. (1) You must provide requested exposure records that show the type and amount of toxic substances or harmful physical agents to which the employee is or has been exposed, for an employee's current or transfer work assignment.

In the absence of records specific to the employee, exposure records of other employees with the same job duties or related working conditions will be used to the extent necessary to respond to the request.

(2) You must provide a designated representative, who does not have specific employee consent, access to employee exposure records only when a reasonable written request is made that includes the following:

(a) The records requested.

(b) The occupational health need for accessing these records.

Note: Trade secret information may be withheld from exposure records. See WAC 296-901-14018, Trade secrets, for more information.
