

WAC 388-107-0380 Use of psychopharmacologic medications. (1)

The enhanced services facility must ensure that each resident is free from psychopharmacologic medications used for discipline, to restrain, or for convenience of the staff.

(2) The facility must ensure that when a psychopharmacologic medication is used the resident assessment indicates that the use is necessary to treat the resident's medical symptoms and documented in the medical record.

[Statutory Authority: Chapter 70.97 RCW. WSR 14-19-071, § 388-107-0380, filed 9/12/14, effective 10/13/14.]
