

WAC 388-78A-2940 Two-way intercom systems. The assisted living facility may use a two-way intercom system between staff persons and residents in other rooms only when:

- (1) A resident initiates the contact; or
- (2) Staff persons announce to the resident that the intercom has been activated at the time it is activated, and:
 - (a) The resident and any others in the room agree to continue the contact;
 - (b) The assisted living facility deactivates the intercom when the conversation is complete; and
 - (c) The assisted living facility ensures each resident is aware the intercom is operating at all times the intercom is in use in the resident's room.
