

WAC 388-847-0170 What must SAIF do to prepare for emergencies?

(1) The stabilization, assessment, and intervention facility (SAIF) must develop an emergency response plan.

(2) SAIF must complete a fire drill with clients at least once per month and document completion of the drill.

[Statutory Authority: RCW 71A.12.030 and 2019 c 415 § 203(j). WSR 22-11-056, § 388-847-0170, filed 5/16/22, effective 6/16/22.]
