

WAC 392-121-570 Vocational indirect cost limit—Applicable code provisions—Purpose—Effective date.

(1) WAC 392-121-570 through 392-121-578 define the five percent limit on indirect cost charges to school district state-funded vocational-secondary programs as required by the Biennial Operating Appropriations Act. These rules do not apply to federal vocational funding which is governed by federal policies.

(2) The purpose of these sections is to assure that state allocations for vocational education are expended by school districts and charter schools to support state vocational programs. The minimum levels defined here are not to be construed as recommended expenditure levels.

(3) These sections are effective for the 2017-18 school year and thereafter.

(4) WAC 392-121-570 through 392-121-578 also apply to program 34, with program 34 substituted wherever program 31 appears. Running start does not apply to program 34.
