

WAC 392-172A-01162 Restraint. Restraint as defined in RCW 28A.600.485 means: Physical intervention or force used to control a student, including the use of a restraint device to restrict a student's freedom of movement. It does not include appropriate use of a prescribed medical, orthopedic, or therapeutic device when used as intended, such as to achieve proper body position, balance, or alignment, or to permit a student to participate in activities safely.
