

WAC 434-12A-010 Authority and purpose. (1) RCW 42.56.070(1) requires each agency to make available for inspection and copying non-exempt "public records" in accordance with published rules. The act defines "public record" to include any "writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained" by the agency. RCW 42.56.070(2) requires each agency to set forth "for informational purposes" every law, in addition to the Public Records Act, that exempts or prohibits the disclosure of public records held by that agency.

(2) The purpose of these rules is to establish the procedures the office of the secretary of state will follow in order to provide full access to public records. These rules provide information to persons wishing to request access to public records of the office of the secretary of state and establish processes for both requestors and secretary of state staff that are designed to best assist members of the public in obtaining such access.

(3) The purpose of the act is to provide the public full access to information concerning the conduct of government, mindful of individuals' privacy rights and the desirability of the efficient administration of government. The act and these rules will be interpreted in favor of disclosure. In carrying out its responsibilities under the act, the office of the secretary of state will be guided by the provisions of the act describing its purposes and interpretation.
