

WAC 468-17-090 Small and veteran business plans. (1) Prime contractors, design-builders, general contractors/construction managers and consultants must submit a small and veterans' business plan that specifies how the contractor will meet PWSBE and VOB participation goals, prior to the award of any contract. The small and veteran business plan for design-bid-build and consultant contracts must list all of the PWSBEs or VOBs that will participate in the contract; a description of the work that each PWSBE or VOB will perform; the dollar amount of the participation of each PWSBE or VOB; the contractor's written commitment to use the PWSBE or VOB submitted; and written confirmation from each PWSBE or VOB firm that it is participating in the contract in the kind and amount of work provided in the inclusion plan. The small and veteran business plan for design-build and general contractor/construction manager contracts must list in detail the contractor's means and methods that it will use to meet the goal and a commitment by the contractor to attempt to meet the goal. If the total PWSBE and VOB participation in the small and veteran business plan does not meet the goal, then the contractor must also submit evidence of good faith efforts (GFES). A contractor may be awarded a project only after WSDOT has approved its small and veteran business plan or confirmed its GFES. Revisions of small and veteran business plans may be necessary prior to plan approvals.

(2) Quarterly small and veteran business plans are required for design-build and general contractor/construction manager projects. The first quarterly small and veteran business plan shall be submitted prior to contract award and must be approved by the department prior to contract execution. Subsequent small and veteran business plans must include information, as applicable, regarding:

- (a) Small and veteran business goal attainment;
- (b) A list all of the PWSBEs or VOBs that have been contracted to date;
- (c) A description of the work that each PWSBE or VOB will perform;
- (d) The dollar amount of the participation of each PWSBE or VOB;
- (e) The contractor's written commitment to use the PWSBE or VOB submitted;
- (f) Written confirmation from each PWSBE or VOB firm that it is participating in the contract in the kind and amount of work provided in the small and veteran business plan;
- (g) Corrective actions necessary to meet the established goals;
- (h) Outreach strategies;
- (i) Innovative approaches to secure goal(s); and
- (j) Other evidence of GFES to meet the contract goal.
