

**WAC 504-35-026 Facility rental/use fees.** (1) The university assesses fees based upon the actual cost, direct and indirect, of using a university facility. Fees for the short-term use of most facilities are set forth on a schedule available in the office of business and finance at the Pullman campus or by going online to the campus use committee website. The website can be found by accessing the university's website at: <http://www.wsu.edu/>. The university reserves the right to make changes to fees without prior written notice, except that such fee changes do not apply to facility use agreements already approved by the university.

(2) In the event that the fee for the use of a particular facility has not been placed on the schedule, and if the university determines to allow the use of the facility, the university will assess a fee based upon the full cost, direct and indirect, of using the facility.

(3) Fees for the long-term use of facilities are individually negotiated between the requestor and the office of business and finance, with the fee charged reflecting the full costs of the use, as offset by any resulting university benefit.

(4) Student government organizations and registered student organizations may be allowed to use space in many university facilities at no charge or at a reduced rate. The fees charged to student government and registered student organizations for facilities are available in the university office of business and finance at the Pullman campus or by going online to the campus use committee website. The website can be found by accessing the university's website at: <http://www.wsu.edu/>.
