19 but not necessarily employed as a certificated employee, whose primary
20 duty is the daily educational instruction of students: PROVIDED
21 FURTHER, That the state board of education shall adopt rules and
22 regulations to insure compliance with the student/teacher ratio
23 provisions of this section, and such rules and regulations shall allow
24 for exemptions for those special programs and/or school districts which
25 may be deemed unable to practicably meet the student/teacher ratio
26 requirements of this section by virtue of a small number of students.

27 If a school district's basic education program fails to meet the
28 basic education requirements enumerated in RCW 28A.150.250,
29 28A.150.260, and 28A.150.220, the state board of education shall
30 require the superintendent of public instruction to withhold state

1 funds in whole or in part for the basic education allocation until
2 program compliance is assured: PROVIDED, That the state board of
3 education may waive this requirement in the event of substantial lack
4 of classroom space.

14 (2) The superintendent of public instruction shall have the
15 authority to make rules and regulations which establish the terms and
16 conditions for allowing school districts to receive state basic
17 education moneys as provided in RCW 28A.150.250 when said districts are
18 unable to fulfill for one or more schools as officially scheduled the
19 requirement of a full school year ~~((of one hundred eighty days))~~
20 consisting of the number of school days provided under section 1 of
21 this 1991 act or the total program hour offering, teacher contact hour,
22 or course mix and percentage requirements imposed by RCW 28A.150.030,
23 28A.150.220, and 28A.150.260 due to one or more of the following
24 conditions:

25 (a) An unforeseen natural event, including, but not necessarily
26 limited to, a fire, flood, explosion, storm, earthquake, epidemic, or
27 volcanic eruption that has the direct or indirect effect of rendering

17 would occur during the ensuing school year because of the occurrence of
18 an event or a circumstance which existed during such preceding school
19 year or a prior school year. A board of directors of a school district
20 is deemed for the purposes of this subsection to have knowledge of
21 events and circumstances which are a matter of common knowledge within
22 the school district and of those events and circumstances which can be
23 discovered upon prudent inquiry or inspection.

16 and one copy to be delivered to the employee. No contract shall be
17 offered by any board for the employment of any employee who has

21 contract by the board of directors of the school district to which he
22 or she was obligated. Any contract signed in violation of this

18 conclusively presumed to have been reemployed by the district for the
19 next ensuing term upon contractual terms identical with those which
