Brief Description: Creating a public and private partnership for long-term care insurance.

HB 1971-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides for a pilot program entitled the Washington long-term care partnership, whereby private insurance and medicaid funds shall be combined to finance long-term care.

Designates criteria for certification of long-term care insurance policies.

Solicits federal approvals to carry out the provisions of the act.

Requires reports on the progress of the act.
