Brief Description: Authorizing the director of licensing to use county auditors and subagents for additional licensing tasks.

Sponsors: Senate Committee on Transportation (originally sponsored by Senators Heavey, Schow, Sheldon, Oke, Wood and Winsley).

SENATE COMMITTEE ON TRANSPORTATION

Majority Report: That Substitute Senate Bill No. 5305 be substituted therefor, and the substitute bill do pass.

Signed by Senators Owen, Chair; Heavey, Vice Chair; Fairley, Kohl, Morton, Oke, Prentice, Prince, Rasmussen, Schow and Wood.

Staff: Jeff Doyle (786-7322)

Background: Current law allows, but does not require, the Director of the Department of Licensing to use county auditors and/or subagents to license vehicles and issue plates.

There is no provision in law allowing auditors or subagents to renew driver's licenses, conduct pro-rate licensing or renew other professional licenses administered by the department.

Summary of Bill: The Department of Licensing may use county auditors and subagents to license vehicles, renew driver's licenses, process all special license plates, conduct pro-rate licensing, and renew other professional licenses granted by the department.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: Expanding the licensing activities subagents can do will result in better service to the public or lower government costs.

Testimony Against: The Legislature should be cautious about which activities subagents are authorized to conduct. Many of the licensing activities, such as VIN inspectors, require special training.
