

1205-S

Sponsor(s): House Committee on Health Care (originally sponsored by Representative Dyer; by request of Department of Social and Health Services)

Brief Description: Modifying physician self-referral provisions.

HB 1205-S - DIGEST

(DIGEST AS ENACTED)

Prohibits physicians from self-referring any client eligible for the designated health services to a facility in which the physician or an immediate family member has a financial relationship.

Establishes requirements for a health care entity to purchase and dispense legend drugs.

Establishes recordkeeping requirements.
