Brief Description: Regulating food industry safety.

HB 1329 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the purpose of the act is to: (1) Increase the frequency that food workers must demonstrate a knowledge of food safety principles;

(2) authorize the issuance of special food worker permits to the learning disabled for limited activities;

(3) develop food safety certification programs for food service managers; and

(4) authorize the collection of fees to support the food safety manager certification program.
