

1542

Sponsor(s): Representatives Brown, Cooke, Dickerson and Costa; by request of Department of Social and Health Services

Brief Description: Modifying placement of juveniles, specifically addressing independent living.

HB 1542 - DIGEST

(AS OF HOUSE 2ND READING 3/9/95)

Provides that, whenever a permanency plan identifies independent living as a goal for a child sixteen years or older, the plan must also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.
