

1658-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Pennington, Hatfield, Morris, Basich, Boldt, Chandler and Benton)

Brief Description: Providing that filled or altered wetlands shall not be considered or treated as wetlands.

**HB 1658-S - DIGEST**

(DIGEST AS ENACTED)

Declares that the department of fish and wildlife cannot require mitigation if the wetland was legally filled under the emergency provisions established in response to the Mt. St. Helens eruption.
