Brief Description: Creating the 1995 public grazing policy reform act.

HB 1799 - DIGEST

Declares that wildlife, fish, and water quality protection, rangeland preservation and sustainability, proper grazing management, and adequate lease fees must be implemented consistently on state lands.

Establishes the public grazing policy committee.

Requires, by October 31, 1995, a report on the livestock grazing programs in the state departments of fish and wildlife, natural resources, and the state parks and recreation commission.

Makes an appropriation of ten thousand dollars to carry out the purposes of the act.
