

1912

Sponsor(s): Representative Dyer

Brief Description: Authorizing delegation of nursing care tasks in public schools.

**HB 1912 - DIGEST**

Designates the types of tasks which may be delegated to nursing assistants, and those which may not be delegated.

Directs the state nursing care quality assurance commission to develop a model informed consent form for nurses to use regarding the delegation process.

Requires a report on nurse delegation by December 1997.
