

2031-S2

Sponsor(s): House Committee on Transportation (originally sponsored by Representative K. Schmidt)

Brief Description: Eliminating the authority to impose storm water facility charges for state highway rights of way.

HB 2031-S2 - DIGEST

(DIGEST AS ENACTED)

Revises RCW 90.03.525 to clarify that the charges to the department of transportation by a local government utility must be used solely for storm water control facilities.

Declares an intent of the legislature to establish a program to develop a state-wide coordination mechanism for the funding of state highway-related storm water management and control projects that will facilitate the completion of the state's most urgently needed storm water projects in the most cost-effective manner.

Authorizes the department of transportation to provide grants to implement storm water control measures.

Creates a committee to oversee the grant process.

Requires a report on the implementation of the program by December 1, 1996.
