Sponsor(s): House Committee on Health Care (originally sponsored by Representatives Dyer, Horn, L. Thomas, Carlson and Benton)

Brief Description: Enhancing long-term care services.

HB 2181-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares an intent to streamline the current fragmentation of chronic health service for the person with functional disabilities.

Directs the Washington health care policy board to develop a working plan for long-term care reform by December 12, 1996.

Provides that additional elements of the plan must be developed by July 1, 1997.

Makes an appropriation of twenty-five thousand dollars to carry out the purposes of the act.
