

2535-S

Sponsor(s): House Committee on Trade & Economic Development
(originally sponsored by Representatives Van Luven, Jacobsen and
Carlson)

Brief Description: Adopting ethics standards for academic or
scientific public service work.

HB 2535-S - DIGEST

(DIGEST AS ENACTED)

Provides that no state officer or state employee may be
beneficially interested, directly or indirectly, in a contract or
grant unless a written process in accordance with federal
guidelines is in place to prevent conflicts of interest.

Prohibits unauthorized disclosure of confidential information.

Prohibits the asking for compensation for performance, or
deferral of performance of the officer's or employee's official
duties, except as specifically authorized by law.
