Brief Description: Increasing the services offered by the permit assistance center.

HB 2569 - DIGEST

Requires the center to publish and keep current an inventory listing briefly describing all permit laws and handbooks describing in more detail each permit law.

Directs the attorney general to assign assistant attorneys general to the state permit assistance center sufficient in number and background to provide advice, if requested by an applicant for a permit, on potential unconstitutional taking issues that may be associated with the enforcement of permit requirements on the applicant.

Defines "unconstitutional" takings.
