

5442-S

Sponsor(s): Senate Committee on Agriculture & Agricultural Trade & Development (originally sponsored by Senators Rasmussen, Morton, Loveland, Prince, Snyder and Newhouse)

Brief Description: Directing the state weeds board to study weed control on state lands.

**SB 5442-S - DIGEST**

(AS OF SENATE 2ND READING 3/10/95)

Directs the state weed board to develop a study to determine the cost of controlling weeds on state-owned and managed lands, including along state-owned rights of way.

Directs state agencies to control noxious weeds on lands that they own.

Makes appropriations of fifty thousand dollars to carry out the purposes of the act.
