Brief Description: Assessing a fee and providing recycling incentive payments on automotive motor oil sold.

SB 5497-S2 - DIGEST

(AS OF SENATE 2ND READING 3/11/95)

Provides that, beginning July 1, 1996, a fee of four cents on each quart of motor oil sold in the state at the retail level shall be assessed from the manufacturer.

Authorizes deductions to be awarded to oil manufacturers that meet the conditions for collection of motor oil.

Creates the used oil recycling account.

Terminates the fee on July 1, 2000.

Requires reports on the program on December 1, 1998, and December 1, 1999.
