

5502

Sponsor(s): Senators Rinehart, Owen, Prince and Fairley

Brief Description: Requiring safety equipment on certain service and delivery vehicles.

**SB 5502 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the vehicles which are operated in an area with a high volume of pedestrian traffic to be equipped with an additional mirror mounted on the left side and with an audible warning device for a reverse signal alarm.
