Brief Description: Creating an educational advancement grant program.

**SB 6007 - DIGEST**

Creates a pilot program for educational advancement grants to economically disadvantaged families to be used for tuition and other costs at public and private schools.

Authorizes fifty grants for the 1995-96 school year and fifty grants for the 1996-97 school year.

Designates criteria for receipt of the grants.

Requires a report on the results of the program on January 10, 1996, and on January 10, 1997.
