5 "NEW SECTION. **Sec. 1.** (1) The Washington state patrol, in  
6 consultation with the Washington traffic safety commission, shall  
7 conduct an analysis of the most effective safety devices for preventing  
8 accidents while delivery trucks are operating in reverse gear. The  
9 analysis shall focus on trucks equipped with a cube-style, walk-in  
10 cargo box up to eighteen feet long that are most commonly used in the  
11 commercial delivery of goods and services.

12 (2) The state patrol shall give specific consideration to the  
13 use of rear cross-view type mirrors that can be mounted at the top left  
14 rear corner of the truck's cargo box. The state patrol may incorporate  
15 research and analysis currently being conducted by the national highway  
16 traffic safety administration.

17 (3) Upon completion of the analysis, the state patrol shall  
18 forward its recommendations to the legislative transportation  
19 committee."
