2 By Representatives Morris and Mulliken

3 On page 2, line 12 of the amendment, after "Washington." strike  
4 "Public facilities" do not include electric generation or distribution  
5 facilities."

6 On page 2, after line 27 of the amendment, insert the following:

7 "(5) Notwithstanding the provisions of this section, moneys  
8 collected under this section may not be used for financing (i)  
9 electrical distribution or transmission facilities on property or  
10 premises that currently takes electric service from an electric utility  
11 as defined in RCW 19.29A.010; (ii) electric distribution or  
12 transmission facilities beyond the legal boundary of an undeveloped  
13 site; or (iii) electric generation facilities that provide electricity  
14 for use beyond the legal boundary of a development site.

15 (6) No moneys collected under this section may be provided to an  
16 electric utility as defined in RCW 19.29A.010."

**EFFECT:** Prohibits the use of the 0.08 percent sales/use tax credit moneys to finance electrical generation and distribution facilities that: (1) provide electric service to premises that already have electric service; (2) provide electric transmission/distribution lines beyond the boundaries of the undeveloped site; or (3) provide electric service beyond the boundaries of a development site. No moneys can be provided to an electric utility.
