### SENATE COMMITTEE ON WAYS & MEANS

**Majority Report:** That Substitute Senate Bill No. 5309 be substituted therefor, and the substitute bill do pass.

Signed by Senators Brown, Chair; Constantine, Vice Chair; Fairley, Vice Chair; Fraser, Hewitt, Kline, Kohl-Welles, Long, Parlette, Rasmussen, Regala, Sheahan, B. Sheldon, Snyder, Spanel, Thibaudeau and Zarelli.

**Minority Report:** Do not pass.

Signed by Senator Honeyford.

**Staff:** Bryon Moore (786-7726)

**Background:** As a result of the repeal of the Motor Vehicle Excise Tax (MVET), revenue distributions to local governments for criminal justice and other purposes were substantially reduced. In the 2000 supplemental budget, the Legislature provided partial replacement for these reduced revenues distributions.

Under current law, revenue generated from most criminal infractions and penalties is distributed among the Public Safety and Education Account, the Judicial Information Systems Account, and the Emergency Medical Services and Trauma Care Account. A portion of the revenue is also retained by local governments.

**Summary of Bill:** An additional \$10 penalty for traffic infractions is imposed. An additional \$50 penalty is imposed for persons convicted of misdemeanor, gross misdemeanor, and felony traffic crimes. The distribution of the revenue derived from these additional penalties remains unchanged.

Money retained by local governments shall constitute reimbursement for any liabilities under the unfunded mandate statute.

**Appropriation:** None.

**Fiscal Note:** Available.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Testimony For:** This bill provides additional revenue to local governments. This increase will also allow enhancements to the activities funded out of the public safety and education account, including sexual assault treatment and the treatment alternative for street crimes programs.

**Testimony Against:** None.

**Testified:** Dan Heid, City of Lakewood; Sophia Byrd, WA Assn. of Counties; Melanie Stewart, Treatment Alternatives for Street Crimes; Suzanne Brown, WA Coalition of Sexual Assault Programs.

**House Amendment(s):** Drug court operations are made a permanent allowable use of the Public Safety and Education Account.
