Brief Description: Exempting from use tax motor homes brought in by nonresidents.

**HB 1018 - DIGEST**

Pertains to the use of a motor home by a bona fide resident of Washington, or nonresident members of the armed forces who are stationed in Washington pursuant to military orders, if the motor home was registered or licensed by the person in another state while a bona fide resident of that state, and the person produces specific documentation, as determined by the department of revenue, indicating that he or she was not a resident of Washington at any time during the six months before bringing the motor home into Washington.
