Brief Description: Modifying when a geologist license may be obtained without a written exam. (REVISED FOR PASSED LEGISLATURE: Concerning the practice of geology and soil science.)

SB 5065 - DIGEST

(DIGEST AS ENACTED)

Amends RCW 18.220.060 relating to when a geologist license may be obtained without a written exam.

Declares that an applicant who applies for licensing before July 1, 2003, shall be considered to be qualified for licensing, without further written examination, if the applicant possesses the designated qualifications.

Declares that chapter 18.220 RCW permits the state, any state agency or any political subdivision of the state, or a county, city, or other public body to use the services of either a soil scientist engaging in the practice of soil science, as defined in this act, or a licensed geologist or licensed specialty geologist engaging in the practice of geology, as defined in RCW 18.220.010, to perform work that is within the scope of practice of both professions.
