

SB 5313 - DIGEST

Provides for verification that applicants for driver's licenses, permits, and identicards are lawfully within the United States.

Authorizes the department to adopt rules to establish procedures for: (1) Verifying that a driver's license, permit, or identicard applicant's presence in the United States is authorized under federal law, including appropriate documentation of that status;

(2) Issuance of temporary licenses or permits pending verification of status; and

(3) Appeals hearings from denials and cancellation of licenses, permits, or identicards based on the requirement that a licensee, permit holder, or identicard holder be lawfully within the United States.

Takes effect August 1, 2005.
