

**SB 6458-S - DIGEST**

(AS OF SENATE 2ND READING 2/15/2008)

Increases regulation of health professionals.

Requires that the Washington state medical quality assurance commission shall conduct a medical quality assurance commission pilot project to evaluate the effect of granting the commission additional authority over budget development, spending, and staffing to begin July 1, 2008, and conclude June 30, 2011.
