RCW 15.88.010 Legislative declaration. The legislature declares that:

- (1) Marketing is a dynamic and changing part of Washington agriculture and a vital element in expanding the state economy.
- (2) The sale in the state and export to other states and abroad of wine made in the state contribute substantial benefits to the economy of the state, provide a large number of jobs and sizeable tax revenues, and have an important stabilizing effect on prices received by agricultural producers. Development of exports of these commodities abroad will contribute favorably to the balance of trade of the United States and of the state. The sale and export are therefore affected with the public interest.
- (3) The production of wine grapes in the state is a new and important segment of Washington agriculture which has potential for greater contribution to the economy of the state if it undergoes healthy development.
- (4) The general welfare of the people of the state will be served by healthy development of the activities of growing and processing

wine grapes, which development will improve the tax bases of local communities in which agricultural land and processing facilities are located, and obviate the need for state and federal funding of local services. The industries are therefore affected with the public interest.

(5) Creation of a commission for the public purpose of administering the revenue of the commission under RCW 66.24.210(3) for the enhancement of production of wine grapes and wine and the marketing of Washington wine will materially advance the industries of growing and processing wine grapes and thereby the interests of the citizens of the state. [1987 c 452 s 1.]

RCW 15.88.025 Regulating wine grapes and wine—Existing comprehensive scheme—Applicable laws. The history, economy, culture, and future of Washington state's agriculture involves the wine industry. In order to develop and promote wine grapes and wine as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its wine grapes and wine be properly promoted by (a) enabling the wine industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing of wine grapes and wines they produce; and (b) working to stabilize the wine industry by increasing markets for wine grapes and wine within the state, the nation, and internationally;

(2) That wine grape growers and wine producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the wine grape growers' and wine producers' ability to compete in local, domestic, and foreign markets;

(3) That it is in the overriding public interest that support for the wine industry be clearly expressed; that adequate protection be given to agricultural commodities, uses, activities, and operations; and that wine grapes and wine be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agriculture industry;

(b) Increase the sale and use of wine grapes and wine in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of wine grapes and wine;

(d) Increase the knowledge of the qualities and value of Washington's wine grapes and wine; and

(e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of wine grapes and wine;

(4) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(5) That the production and marketing of wine grapes and wine is a highly regulated industry and that the provisions of this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the wine grape and wine industry include:

(a) Organic products act under chapter 15.86 RCW;

(b) Horticultural pests and diseases under chapter 15.08 RCW;

(c) Horticultural plants, Christmas trees, and facilities—
Inspection and licensing under chapter 15.13 RCW;

Such dissemination shall be for agricultural development or trade promotion, which may include promotional hosting and shall in the good faith judgment of the commission be in aid of the marketing, advertising, or sale of wine, or of research related to such marketing, advertising, or sale;

The percentage shall be based upon the amount of wine produced in

the previous calendar year and shall be rounded to the nearest ten percent. The remaining votes of the membership of the commission shall be divided equally among the remaining members of the commission.

(2) In the event that the percentage of wine produced by the producer represented by position one falls below twenty-five percent of the wine produced in this state, the weighted voting mechanism provided for in subsection (1) of this section shall cease to be effective. In that case, the voting shall be based on one vote per position. [2003 c 396 s 41; 1988 c 254 s 14; 1987 c 452 s 10.]

This list shall be corrected and brought up-to-date in accordance with evidence and information available to the commission on or before December 31st of each year. For all purposes of giving notice and holding referendums, the list on hand, corrected up to the day next preceding the date for issuing notices or ballots as the case may be, is, for purposes of this chapter, deemed to be the list of all growers entitled to notice or to assent or dissent or to vote.

(2) The commission shall develop a reporting system to document that the vinifera grape growers in this state are reporting quantities of vinifera grapes grown and subject to the assessment as provided in RCW 15.88.130. [1988 c 257 s 1.]

RCW 15.88.130 Annual assessment on harvested vinifera grapes—Approval by referendum—Rules. The referendum shall be conducted on or before September 15, 1988.

(2) If the director determines that the requisite assent has been given, the director shall direct the commission to put into force the assessment in RCW 15.88.130.

RCW 15.88.160 Assessment constitutes debt—Penalty for nonpayment—Civil action. A due and payable assessment levied in such specified amount as determined by the commission under RCW 15.88.130 constitutes a personal debt of every person so assessed or who otherwise owes the assessment, and the assessment is due and payable to the commission when payment is called for by the commission. If a person fails to pay the commission the full amount of the assessment by the date due, the commission may add to the unpaid assessment an amount not exceeding ten percent of the assessment to defray the cost of enforcing its collection. If the person fails to pay any such due and payable assessment or other such sum, the commission may bring a civil action for collection against the person or persons in a court of competent jurisdiction. The action shall be tried and judgment rendered as in any other cause of action for a debt due and payable. [1988 c 257 s 5.]

The commission shall provide funds to the department according to the rules adopted by the director.

(2) The costs incurred by the department associated with the implementation of RCW 15.88.073 shall be paid for by the commission. [2003 c 396 s 44; 2002 c 313 s 76.]
