

RCW 13.40.162 Special sex offender disposition alternative. (1)

A juvenile offender is eligible for the special sex offender disposition alternative when:

(a) The offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and the offender has no history of a prior sex offense; or

(b) The offender is found to have committed assault in the fourth degree with sexual motivation, and the offender has no history of a prior sex offense.

(2) If the court finds the offender is eligible for this alternative, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

(a) The report of the examination shall include at a minimum the following:

(i) The respondent's version of the facts and the official version of the facts;

(ii) The respondent's offense history;

(iii) An assessment of problems in addition to alleged deviant behaviors;

(iv) The respondent's social, educational, and employment situation;

(v) Other evaluation measures used.

The report shall set forth the sources of the evaluator's information.

(b) The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

(i) The frequency and type of contact between the offender and therapist;

(ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;

(iv) Anticipated length of treatment; and

(v) Recommended crime-related prohibitions.

(c) The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(3) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years.

(4) As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

(a) Devote time to a specific education, employment, or occupation;

(b) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(c) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(d) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(e) Report as directed to the court and a probation counselor;

(f) Pay all court-ordered legal financial obligations, perform community restitution, or any combination thereof;

(g) Make restitution to the victim for the cost of any counseling reasonably related to the offense; or

(h) Comply with the conditions of any court-ordered probation bond.

(5) If the court orders twenty-four hour, continuous monitoring of the offender while on probation, the court shall include the basis for this condition in its findings.

(6) (a) The court must order the offender not to attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings.

(b) The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district.

(c) The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

(7) For offenders required to register under RCW 9A.44.130, at the end of the supervision ordered under this disposition alternative, there is a presumption that the offender is sufficiently rehabilitated to warrant removal from the central registry of sex offenders. The court shall relieve the offender's duty to register unless the court finds that the offender is not sufficiently rehabilitated to warrant removal and may consider the following factors:

(a) The nature of the offense committed, including the number of victims and the length of the offense history;

(b) Any subsequent criminal history of the juvenile;

- (c) The juvenile's compliance with supervision requirements;
- (d) The length of time since the charged incident occurred;
- (e) Any input from community corrections officers, juvenile parole or probation officers, law enforcement, or treatment providers;
- (f) The juvenile's participation in sex offender treatment;
- (g) The juvenile's participation in other treatment and rehabilitative programs;
- (h) The juvenile's stability in employment and housing;
- (i) The juvenile's community and personal support system;
- (j) Any risk assessments or evaluations prepared by a qualified professional related to the juvenile;
- (k) Any updated polygraph examination completed by the juvenile;
- (l) Any input of the victim; and
- (m) Any other factors the court may consider relevant.

(8) (a) The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

(b) At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

(c) Except as provided in this subsection, examinations and treatment ordered pursuant to this subsection shall be conducted by qualified professionals as described under (d) of this subsection, certified sex offender treatment providers, or certified affiliate sex offender treatment providers under chapter 18.155 RCW.

(d) A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the therapist is a professional licensed under chapter 18.225 or 18.83 RCW and the treatment employed is evidence-based for sex offender treatment, or if the court finds that: (i) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (ii) no certified sex offender treatment providers or certified affiliate sex offender treatment providers are available for treatment within a reasonable geographical distance of the offender's home; and (iii) the evaluation and treatment plan comply with this subsection and the rules adopted by the department of health.

(9) (a) If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to thirty days confinement for violating conditions of the disposition.

(b) The court may order both execution of the disposition and up to thirty days confinement for the violation of the conditions of the disposition.

(c) The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(10) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged.

"Victim" may also include a known parent or guardian of a victim who

is a minor child unless the parent or guardian is the perpetrator of the offense.

(11) A disposition entered under this section is not appealable under RCW 13.40.230. [2020 c 249 § 1; 2011 c 338 § 3.]
