Applicants who have been found by the secretary to meet the other requirements for licensure or certification shall be scheduled for the next examination following the filing of the application. The secretary shall establish by rule the examination application deadline.

(2) The secretary or the secretary's designees shall examine each applicant, by means determined most effective, on subjects appropriate to the scope of practice, as applicable. Such examinations shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(3) The examination papers, all grading of the papers, and the grading of any practical work shall be preserved for a period of not less than one year after the secretary has made and published the decisions. All examinations shall be conducted under fair and wholly impartial methods.
