RCW 20.01.210 Commission merchants, dealers—Bonds. (1) Before the license is issued to any commission merchant or dealer, or both, the applicant shall execute and deliver to the director a surety bond executed by the applicant as principal and by a surety company qualified and authorized to do business in this state as surety. The bond shall be to the state for the benefit of qualified consignors of agricultural products in this state. All such sureties on a bond, as provided in this section, shall be released and discharged from all liability to the state accruing on such bond by giving notice to the principal and the director by certified mail. Upon receipt of such notice the director shall notify the surety and the principal of the effective date of termination which shall be thirty days from the receipt of such notice by the director, but this shall not relieve, release, or discharge the surety from any liability already accrued or which shall accrue before the expiration period provided for in this subsection.

(2) The bond for a commission merchant or dealer in hay, straw, or seed shall be not less than fifteen thousand dollars. The actual amount of such bond shall be determined by dividing the annual dollar volume of the licensee's net proceeds or net payments due consignors by twelve and increasing that amount to the next multiple of five thousand dollars. The bond for a new commission merchant or dealer in hay, straw, or seed shall be subject to increase at any time during the licensee's first year of operation based on the average of business volume for any three months. Except as provided in subsection (3) of this section, the bond shall be not less than ten thousand dollars for any other dealer.

(3) The bond for a commission merchant or dealer in livestock shall be not less than ten thousand dollars. The actual amount of such bond shall be determined in accordance with the formula set forth in the packers and stockyard act of 1921 (7 U.S.C. 181), except that a commission merchant or dealer in livestock shall increase the commission merchant's or dealer's bond by five thousand dollars for each agent the commission merchant or dealer has endorsed under RCW 20.01.090. A dealer who also acts as an order buyer for other persons who are also licensed and bonded under this chapter or under the packers and stockyards act (7 U.S.C. 181) may subtract that amount of business from the annual gross volume of purchases reported to the director in determining the amount of bond coverage that must be provided and maintained for the purposes of this chapter.

(4) The bond for a commission merchant handling agricultural products other than livestock, hay, straw, or seed shall not be less than ten thousand dollars. The bond for a dealer handling agricultural products other than livestock, hay, straw, or seed shall not be less than ten thousand dollars. The actual amount of such bond shall be determined by dividing the annual dollar volume of the licensee's net proceeds or net payments due consignors by fifty-two and increasing that amount to the next multiple of two thousand dollars. However, bonds above twenty-six thousand dollars shall be increased to the next multiple of five thousand dollars.

(5) When the annual dollar volume of any commission merchant or dealer reaches two million six hundred thousand dollars, the amount of the bond required above this level shall be on a basis of ten percent of the amount arrived at by applying the appropriate formula.
