RCW 26.26A.820 Information about donor—Disclosure of identifying information and medical history on request of a child conceived by assisted reproduction—Access to nonidentifying medical history. (1) On request of a child conceived by assisted reproduction who attains eighteen years of age, a gamete bank or fertility clinic licensed in this state which collected the gametes used in the assisted reproduction shall make a good faith effort to provide the child with identifying information of the donor who provided the gametes, unless the donor signed and did not withdraw a declaration under RCW 26.26A.815(2)(b). If the donor signed and did not withdraw the declaration, the gamete bank or fertility clinic shall make a good faith effort to notify the donor, who may elect under RCW 26.26A.815(3) to withdraw the donor's declaration.

(2) Regardless whether a donor signed a declaration under RCW 26.26A.815(2)(b), on request by a child conceived by assisted reproduction who attains eighteen years of age, or, if the child is a minor, by a parent or guardian of the child, a gamete bank or fertility clinic licensed in this state which collected the gametes used in the assisted reproduction shall make a good faith effort to provide the child or, if the child is a minor, the parent or guardian of the child, access to nonidentifying medical history of the donor.

(3) On request of a child conceived by assisted reproduction who attains eighteen years of age, a gamete bank or fertility clinic licensed in this state which received the gametes used in the assisted reproduction from another gamete bank or fertility clinic shall disclose the name, address, telephone number, and email address of the gamete bank or fertility clinic from which it received the gametes.
