

RCW 27.12.180 Contracts for library service. Such a contract shall require that the existing library perform all the functions of a library within the governmental unit wanting service. In like manner a legislative body may contract for library service from a library not owned by a public corporation but maintained for free public use: PROVIDED, That such a library be subject to inspection by the state librarian and be certified by him or her as maintaining a proper standard. Any school district may contract for school library service from any existing library, such service to be paid for from funds available to the school district for library purposes.
