

**RCW 28A.710.180 Charter schools—Oversight—Corrective action.**

(1) Each authorizer must continually monitor the performance and legal compliance of the charter schools under its jurisdiction, including collecting and analyzing data to support ongoing evaluation according to the performance framework in the charter contract.

(2) An authorizer may conduct or require oversight activities that enable the authorizer to fulfill its responsibilities under this chapter, including conducting appropriate inquiries and investigations, if those activities are consistent with the intent of this chapter, adhere to the terms of the charter contract, and do not unduly inhibit the autonomy granted to charter schools.

(3) In the event that a charter school's performance or legal compliance appears unsatisfactory, the authorizer must promptly notify the school of the perceived problem and provide reasonable opportunity for the school to remedy the problem. However, if the problem warrants revocation of the charter contract, the revocation procedures under RCW 28A.710.200 apply.

(4) An authorizer may take appropriate corrective actions or exercise sanctions short of revocation in response to apparent deficiencies in charter school performance or legal compliance. These actions or sanctions may include, if warranted, requiring a school to develop and execute a corrective action plan within a specified time frame. [2016 c 241 § 118. Prior: 2013 c 2 § 218 (Initiative Measure No. 1240, approved November 6, 2012).]
