The grants shall be used exclusively for the provision of quality child care services for students at institutions of higher education. The university or college administration and student government association, or its equivalent, of each institution receiving the award may contribute financial support in an amount equal to or greater than the child care grant received by the institution. Further, it is the intent of the legislature to adopt policies that, to the extent possible, leverage existing resources and maximize educational outcomes by supporting affordable, accessible, and quality child care programs."
