Intent—1984 c 50: "The legislature finds that providing educational opportunities to the long-term unemployed and underemployed is a valuable incentive to these individuals to reestablish themselves as contributing members of society. To this end, the legislature finds that creating the opportunity for these people to attend the state's community colleges on a space available basis, without charge, will provide the impetus for self-improvement without drawing upon the limited resources of the state or its institutions." [1984 c 50 s 1.]

Severability—1984 c 50: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1984 c 50 s 4.]
