

RCW 29A.04.410 Costs borne by constituencies. Every county, city, town, and district, and the state is liable for its proportionate share of the costs when such elections are held in conjunction with other elections held under RCW 29A.04.321 and 29A.04.330.

Whenever any county, city, town, or district, or the state holds any primary or election, general or special, on an isolated date, all costs of such elections must be borne by the county, city, town, or district concerned, or the state as appropriate.

The purpose of this section is to clearly establish that the county is not responsible for any costs involved in the holding of any city, town, district, state, or federal election.

In recovering such election expenses, including a reasonable proration of administrative costs, the county auditor shall certify the cost to the county treasurer with a copy to the clerk or auditor of the city, town, or district concerned, or the secretary of state as appropriate. Upon receipt of such certification relating to a city, town, or district, the county treasurer shall make the transfer from any available and appropriate city, town, or district funds to the county current expense fund or to the county election reserve fund if such a fund is established. Each city, town, or district must be promptly notified by the county treasurer whenever such transfer has been completed. However, in those districts wherein a treasurer, other than the county treasurer, has been appointed such transfer procedure does not apply, but the district shall promptly issue its warrant for payment of election costs. State and federal offices are to be considered one entity for purposes of election cost proration and reimbursement.
