

RCW 35.102.1301 Municipal business and occupation tax—Study of potential net fiscal impacts. (1) The department of revenue shall conduct a study of the net fiscal impacts of chapter 79, Laws of 2003, with particular emphasis on the revenue impacts of the apportionment and allocation method contained in RCW 35.102.130 and any revenue impact resulting from the increased uniformity and consistency provided through the model ordinance. In conducting the study, the department shall use, and regularly consult with, a committee composed of an equal representation from interested business representatives and from a representative sampling of cities imposing business and occupation taxes. The department shall report the final results of the study to the governor and the fiscal committees of the legislature by November 30, 2005.
